Suite 700  
5600 River Road  
Rosemont, IL 60018

Dear Ms. O'Neill

We want to provide you with an early indication of targeted price increases and decreases. There are various drivers of the changes including adjustments to correct price and MSRP, alignment to market changes and increased costs due to rising freight. As such, ACCO Brands will be implementing price changes effective January 1, 2025, for items within the Kensington line.

We sincerely appreciate and value your ongoing partnership and support.

Regards,
