

Dear Valued Customer,

To continue providing you with quality products and service, Safco will be adjusting prices across our portfolio, effective **June 16, 2025**. The overall increase will be **2.8%**, with individual product changes ranging from **0% to 8%**, based on category needs. See updated pricelist for details.

This price adjustment applies to new orders received on **June 16, 2025** onward. Open projects quoted or orders placed before this date will remain unaffected. All other terms and conditions remain unchanged.

We appreciate your continued support and partnership. Thank you for choosing Safco!
