

May 7, 2026

To Our Valued Customer:

Effective with shipments June 8, 2026, Sylvamo will increase prices by +3-5% for the following imaging papers grades:

- All Hammermill® products
- All HP® products
- All Private Label products
- Relay
- Generic White Box

In addition, the West Coast upcharge will increase from \$3/cwt to \$4/cwt. Please see the attached document for the updated business rules. All other standard upcharges will continue to apply.

As part of this update, all deviated business will be reviewed to ensure alignment with revised pricing and business rules.

Orders received prior to May 7, 2026, will invoice at the acknowledged price.

If you have any questions regarding these changes, please contact your sales representative.

Sincerely,

Kristine Vela
